

Help Protect Our Patients During Influenza Season

Please **DO NOT** visit if you are experiencing any “flu” symptoms (fever, cough, sore throat, or body/muscle aches)

All healthy visitors:

• Wash or sanitize hands when arriving, before touching a patient and after leaving the patient’s room

• Always cover your cough with your elbow or a tissue

• Clean your hands after coughing or sneezing

• If you are ill and must visit, please ask for a mask and wear it at **ALL** times
